

**PRODUCT INFORMATION**  
**POCKET NAPKIN (Airlaid 60 gr)**

The pocket napkin is a napkin folded like a cutlery pocket (folded format 10 x 23 cm). A way to gain time in laying tables. This pocket napkin has 2 functions : a pocket where you can put your cutlery and an airlaid napkin with an unfolded format 40 x 40 cm.

The airlaid 65g napkin is one of the disposable products the most similar to the cloth napkin with a good quality / price ratio.

This airlaid napkin has a good holding, a soft touch, a very good absorption capacity and allows many folding and setting up possibilities.

The use of airlaid is more economical and ecological than the use of fabric as water consumption, washing and ironing costs, are nonexistent.  
 Certified food contact.
