

**PRODUCT INFORMATION
ANTISKID FLOOR MAT**

The double face antiskid paper floor mat allows you not only to protect and not dirty your car, to keep it clean like any basic floor mat, but its antiskid effect enables it to stay in place and not to slip. Your customers will appreciate the careful touch, whether it is for new vehicle purchase or workshop exit. Perfect for any kind of exhibitions, fairs and trade shows where many customers access inside the car. Biodegradable and recyclable.
